IV

Supplementary Statements
(6 copies each)

- (i) A brief but very specific account of applicant’s previous accomplishments in scholarship and/or in practical and/or creative work which have a bearing on the proposed project.
- (ii) List of publications, or entries in exhibitions, or public performances, or patents obtained, etc. with relevant particulars. (Publications in research, journals and those presented at conferences, symposia, etc. or written for popular media, should be listed separately).
- (iii) Project of research, or creative work.
- (iv) This statement should be so formulated as to enable a referee or consultant to judge the practicability and the scientific, cultural or developmental significance of the proposal. It should be accompanied by a brief critical overview of the relevant literature. The methodology to be adopted and the expected final outcome should also be clearly indicated.

It is important that the project and the results that the studies yield should be of relevance in the contemporary context.

References

List (upto four names) of persons to whom a reference may be made concerning your activities, and especially in relation to your project submitted for a Fellowship. (All statements by referees are treated as confidential).

Name	Position	Address

VI

If you have applied for any other fellowship or financial support for the same project or period, state all the facts regarding such applications.

If you apply for any such assistance after presenting this application, please inform the Council immediately.

(As a rule a Homi Bhabha Fellowship cannot be held simultaneously with any other fellowship or similar scheme of financial assistance).
